Découper 2 étoiles plus 6 motifs

Plier les motifs

Prendre une étoile et faire le tour
avec les motifs en collant

Ensuite, poser la 2ème étoile par-dessus.

Faire de même avec les autres étoiles

Cut 2 stars plus 6 patterns

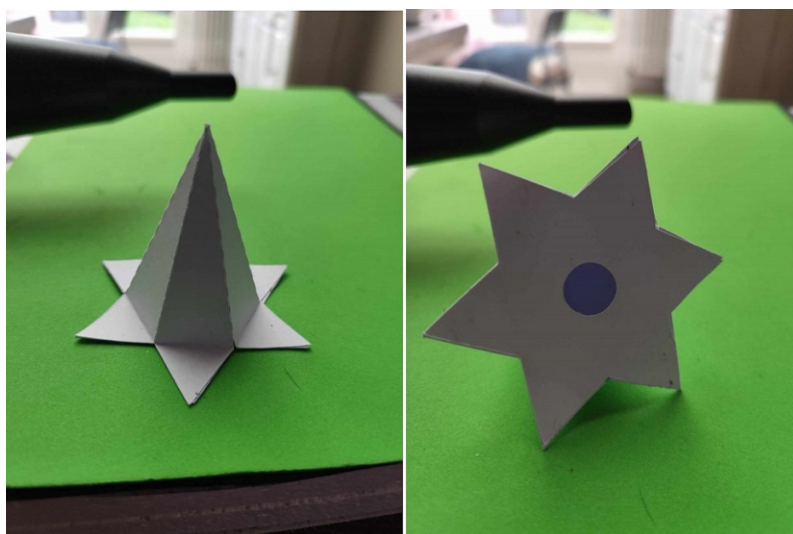

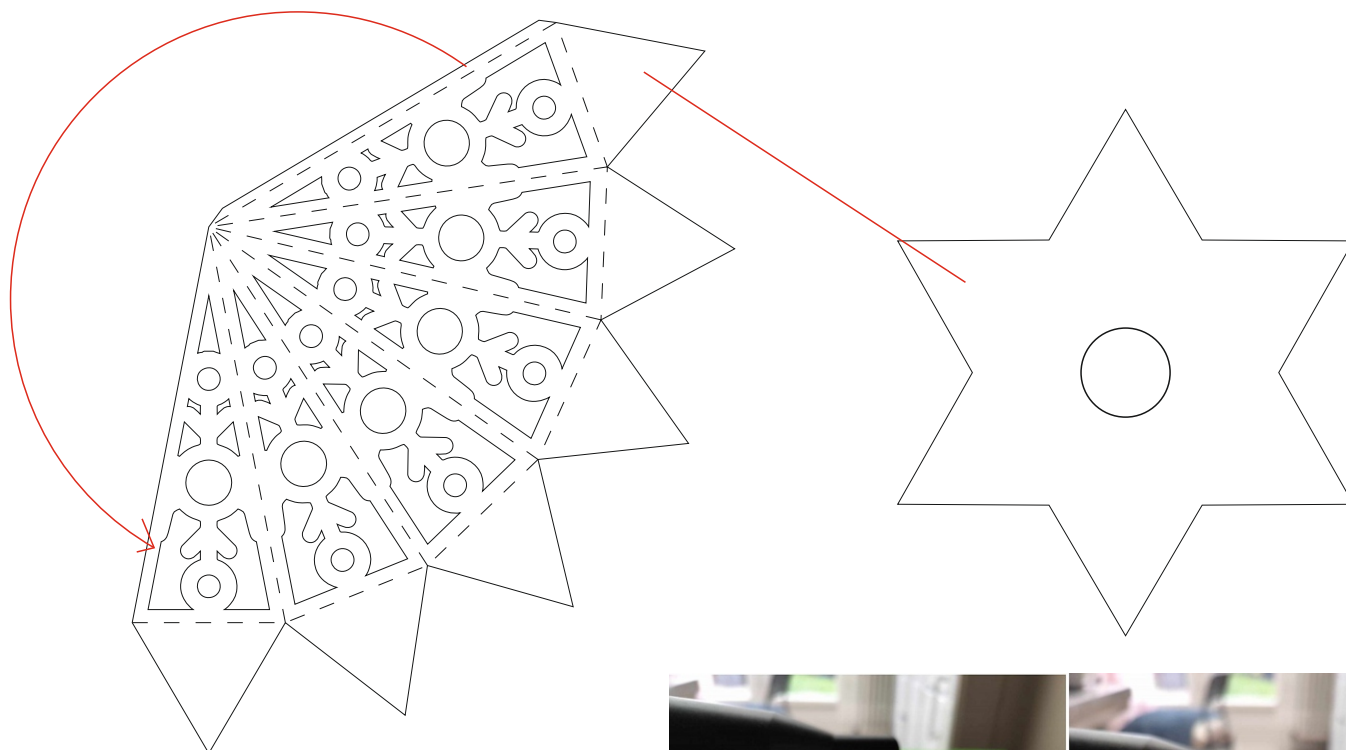

Fold the patterns

Take a star and go around
with the patterns in pasting

Then, place the second star on top.

Do the same with other stars

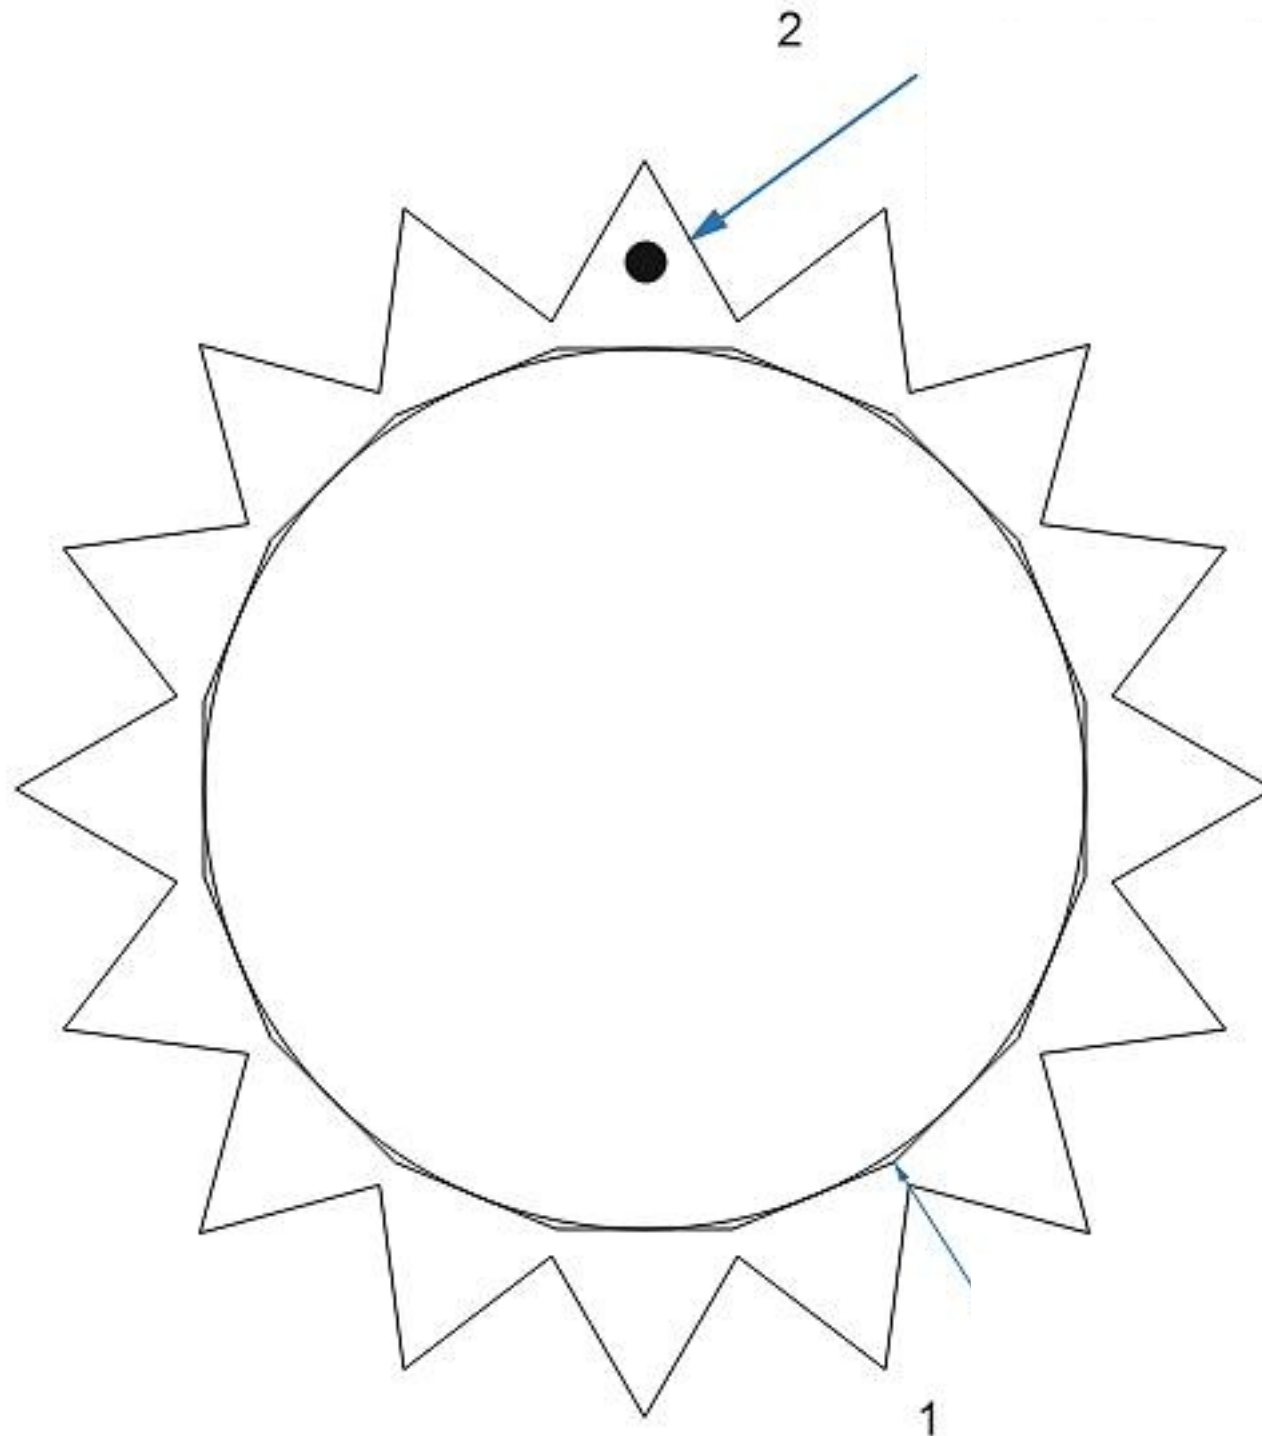

Découper une étoile et un motif.
Prendre le motif le plier et le coller.
Rabattre les pointes vers l'extérieur
et le coller pour que cela coïncide avec
les pointes de l'étoile.

Cut out a star and a pattern.
Take the pattern, fold it and glue it.
Fold the points outwards
and glue it so that it matches
the points of the star.

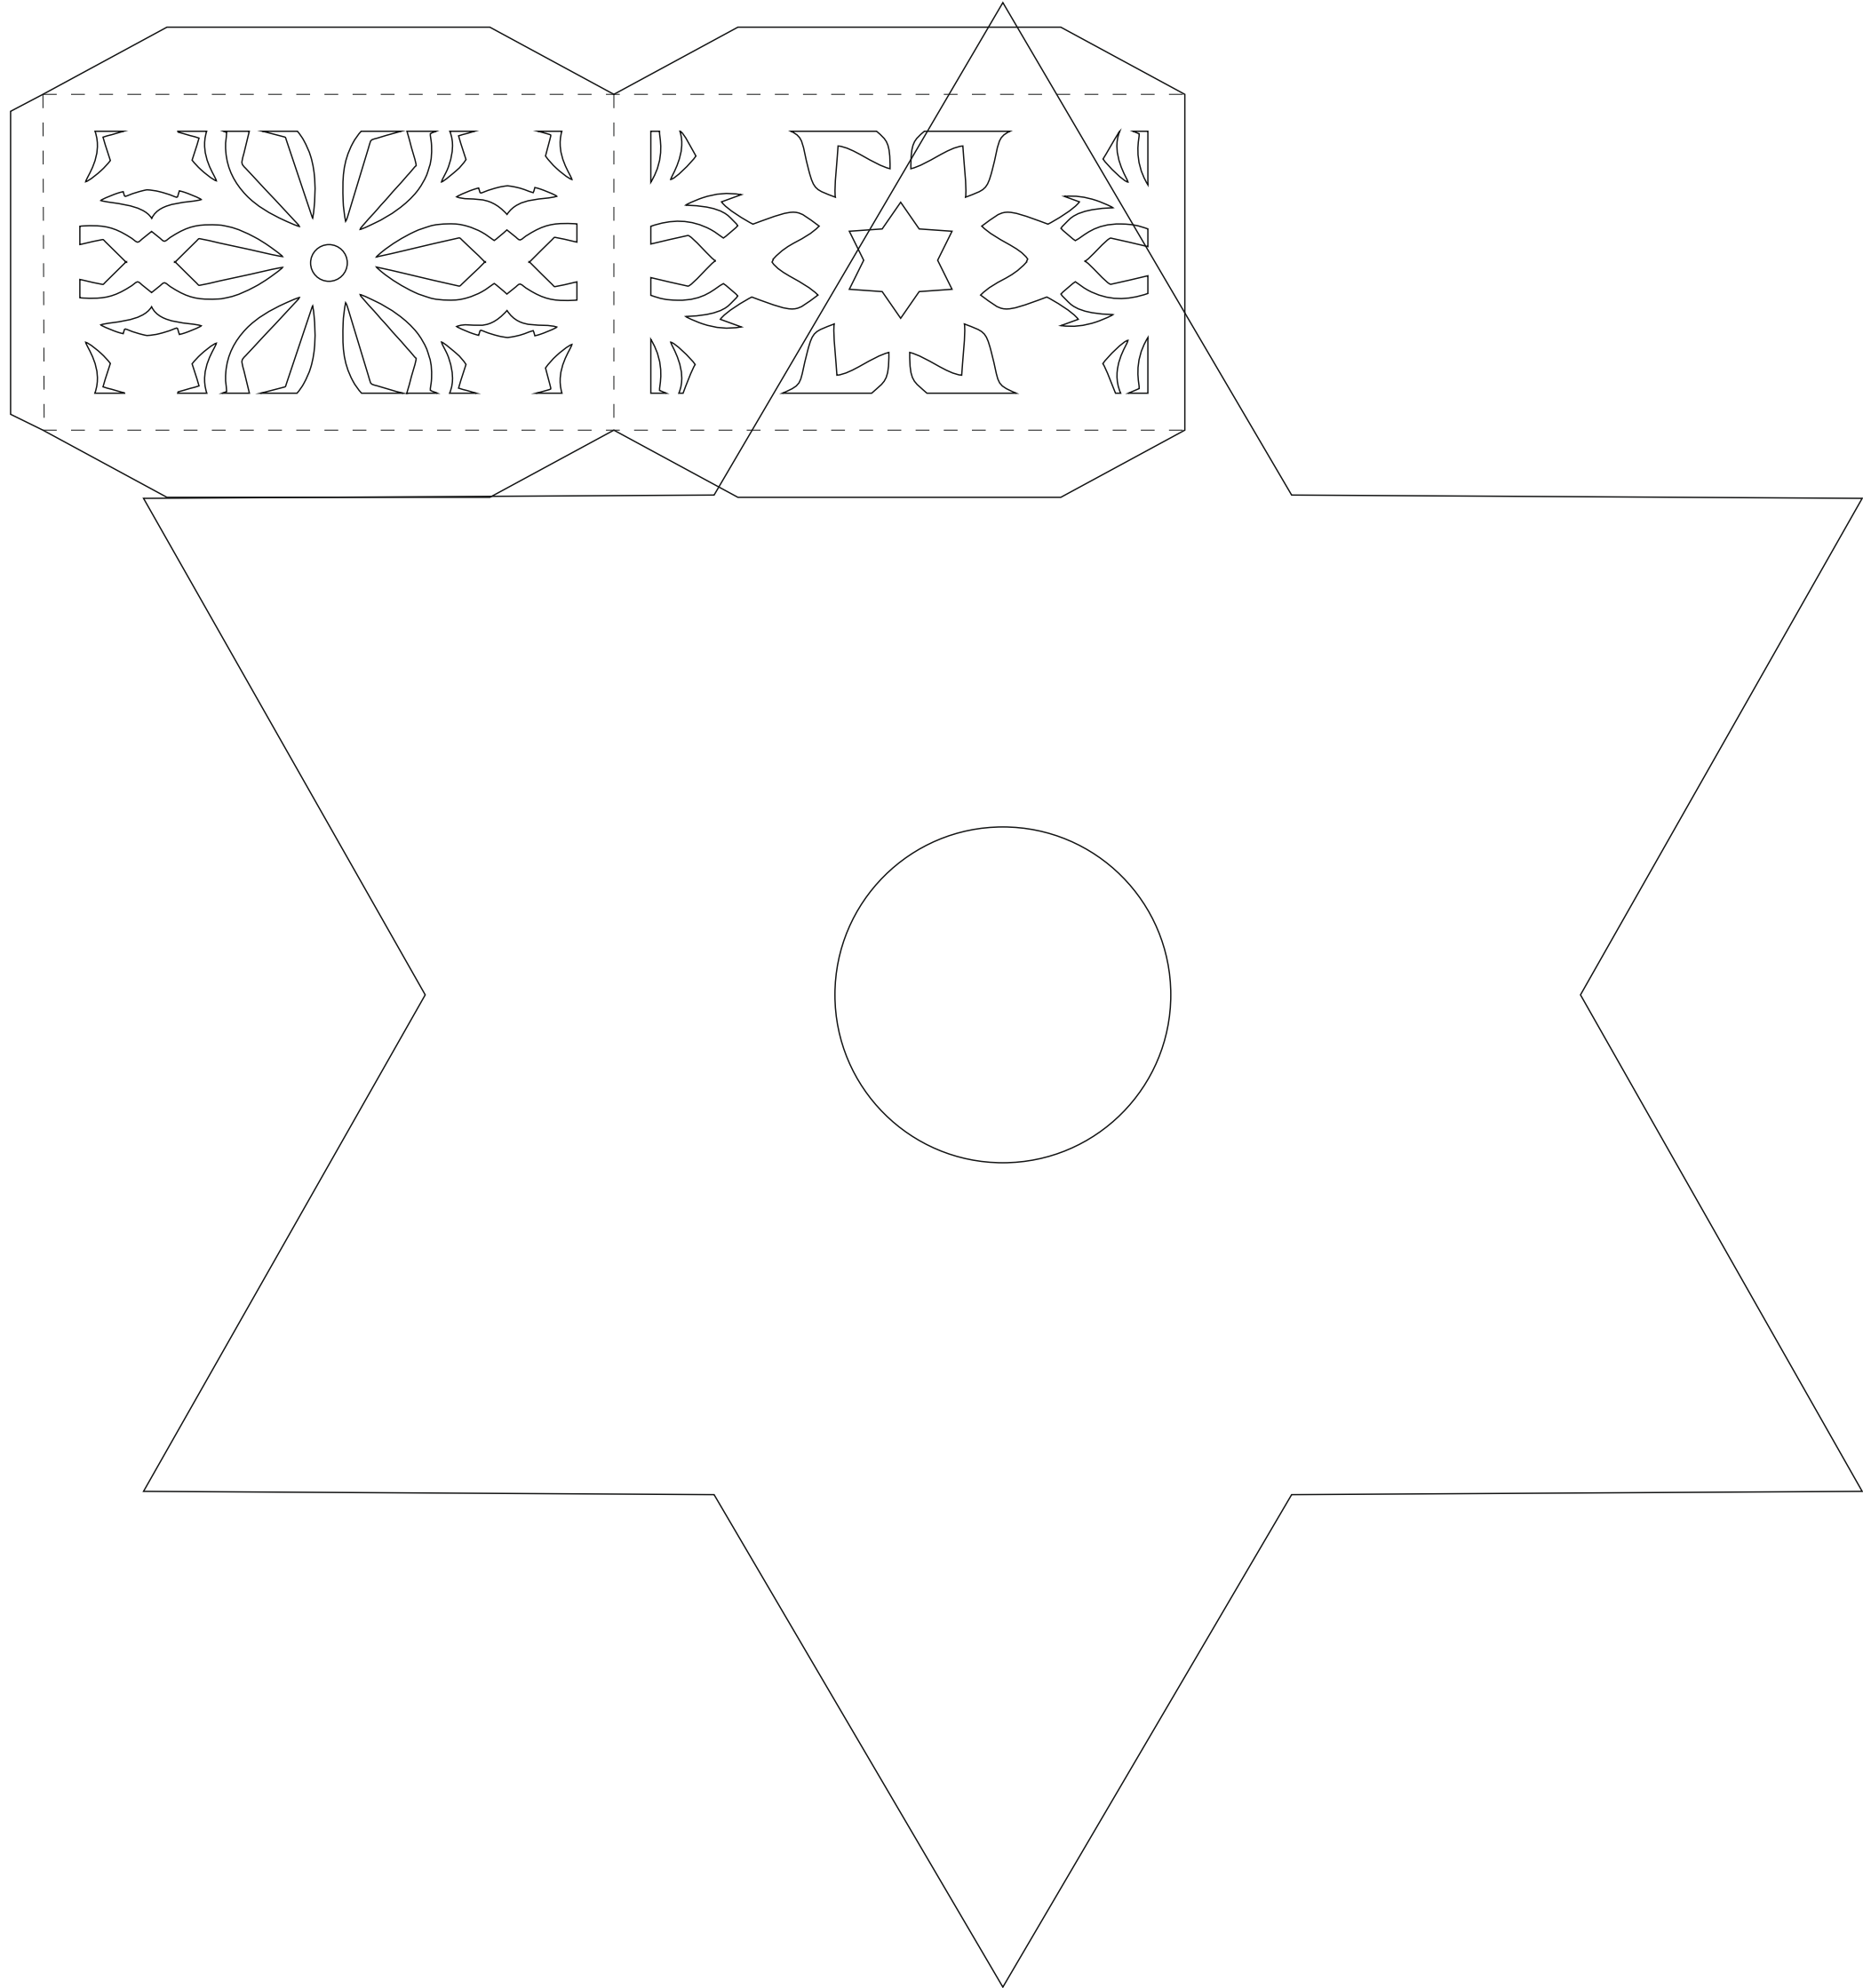

Découper le pied
faire un cercle et le coller
Et rabattent les triangles vers les extérieurs.

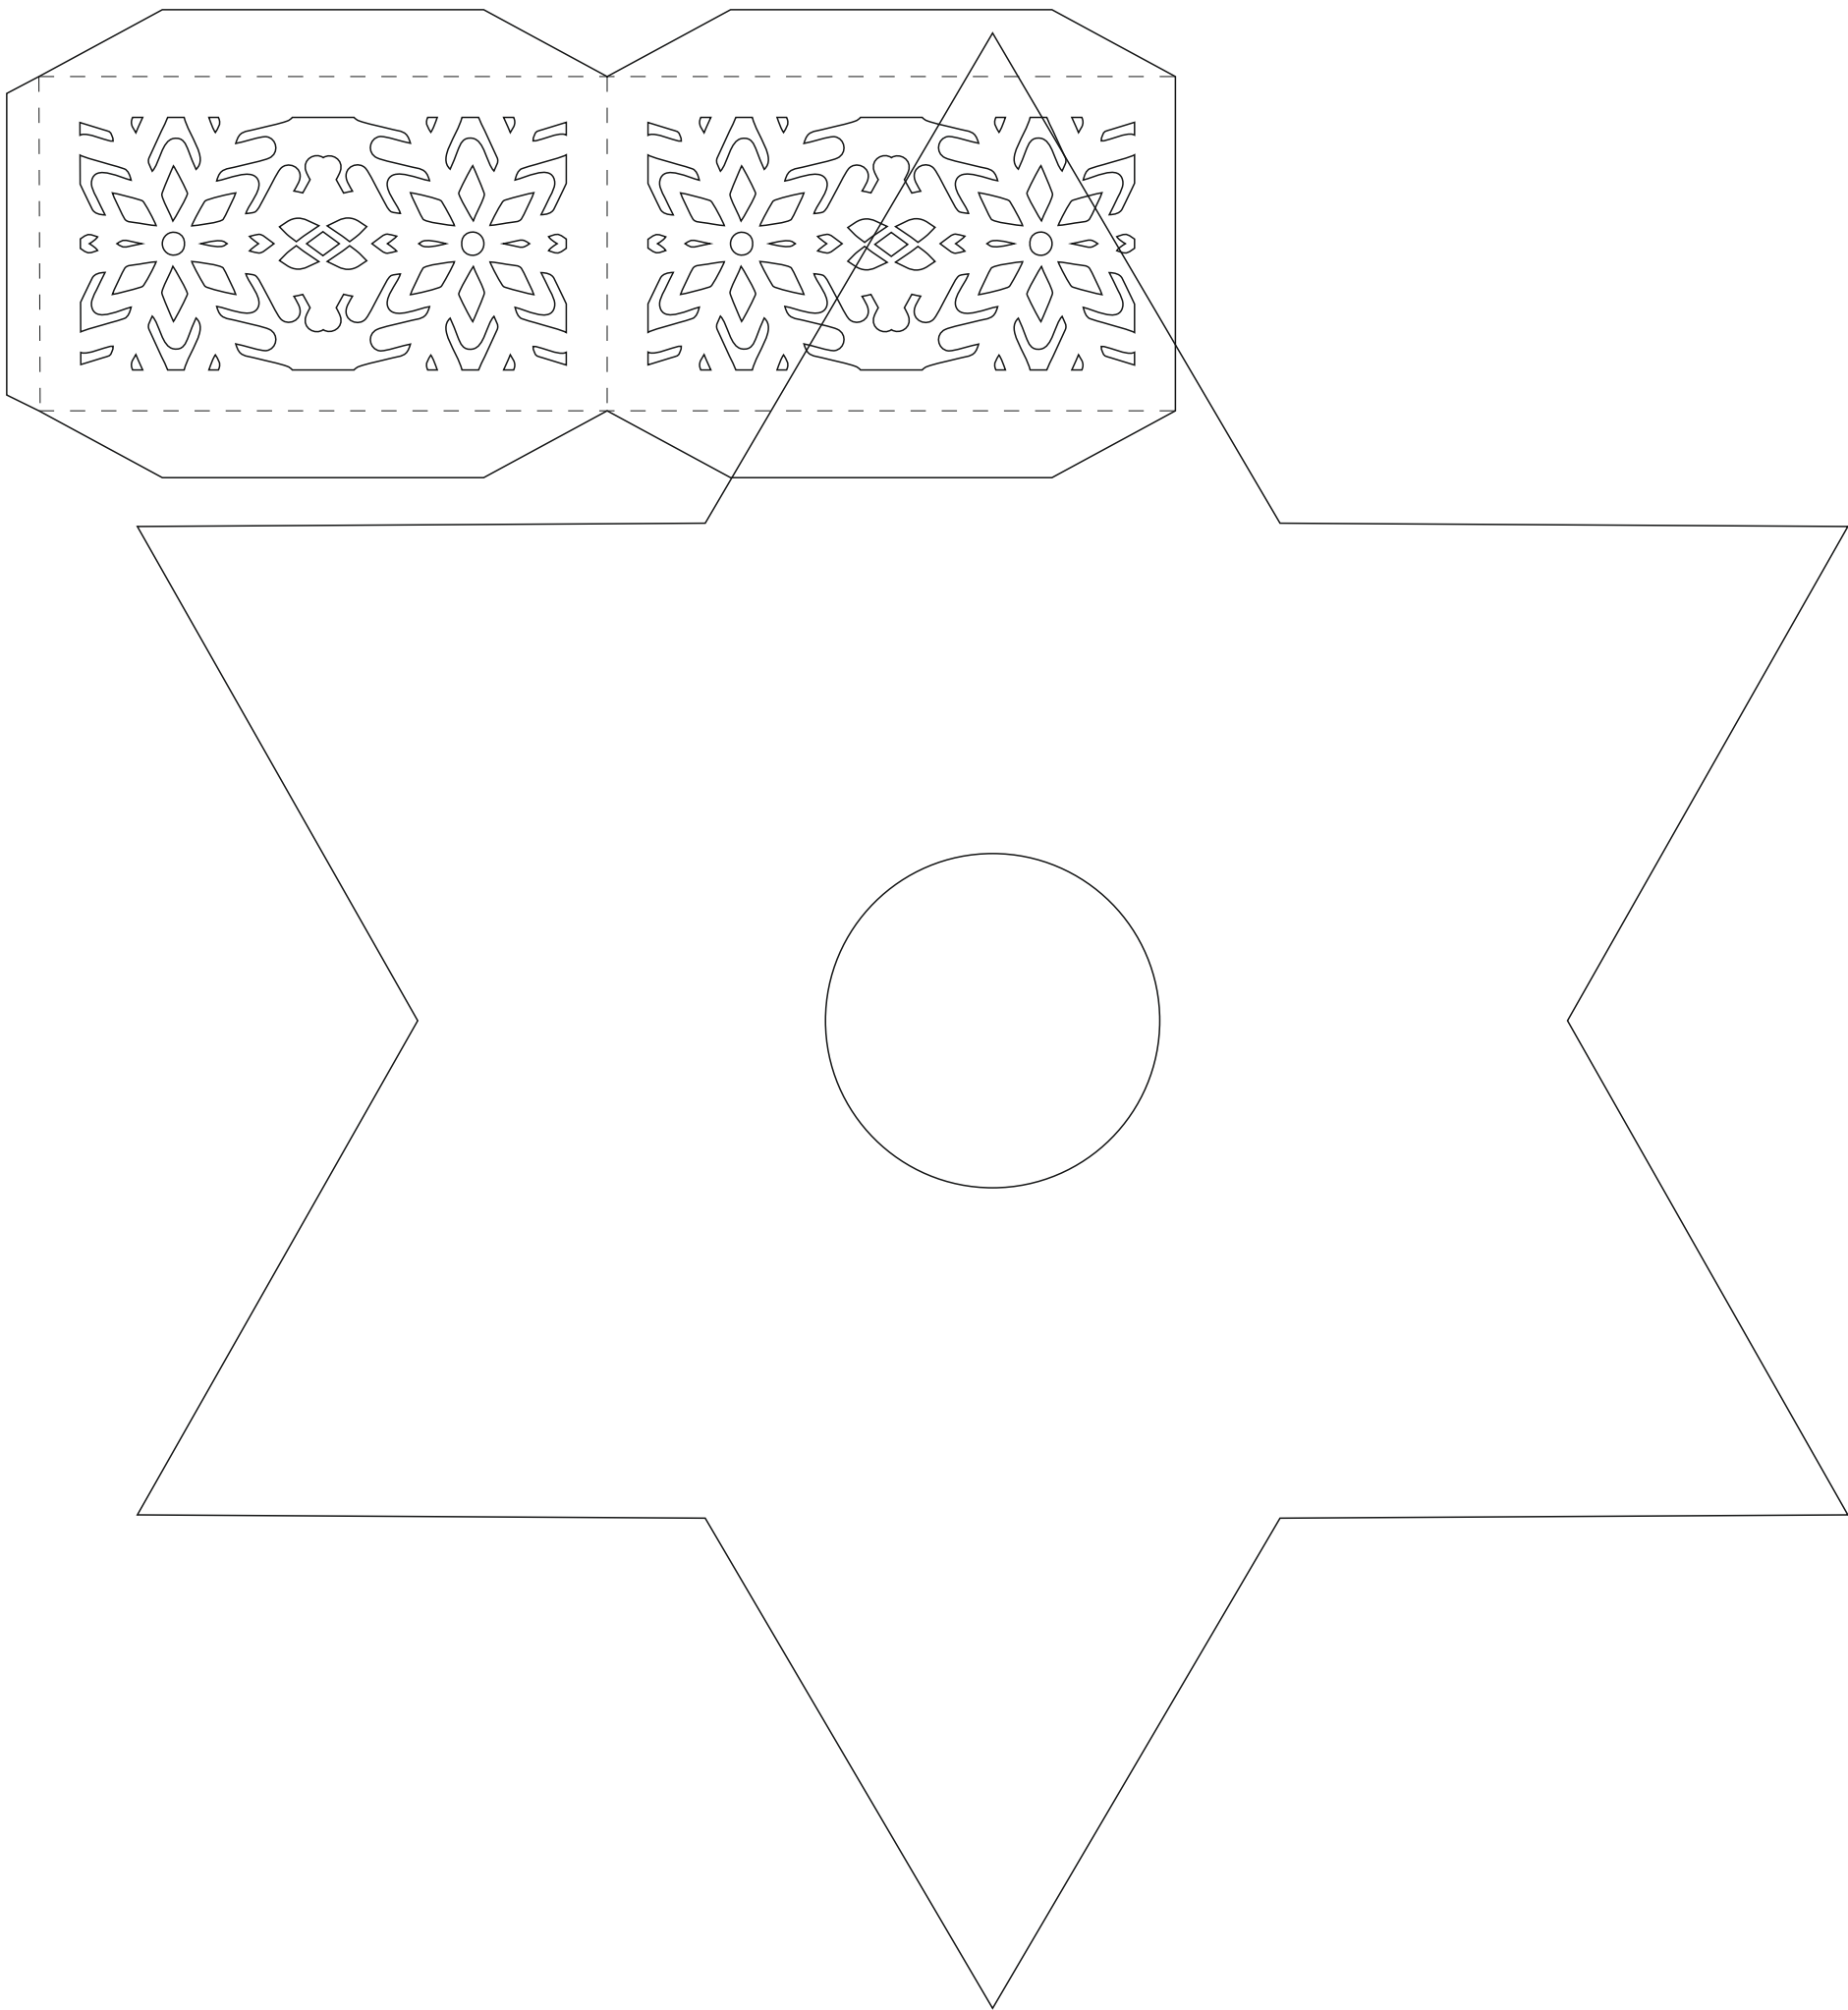

Cut the foot
make a circle and paste it
And fold the triangles towards the outside.

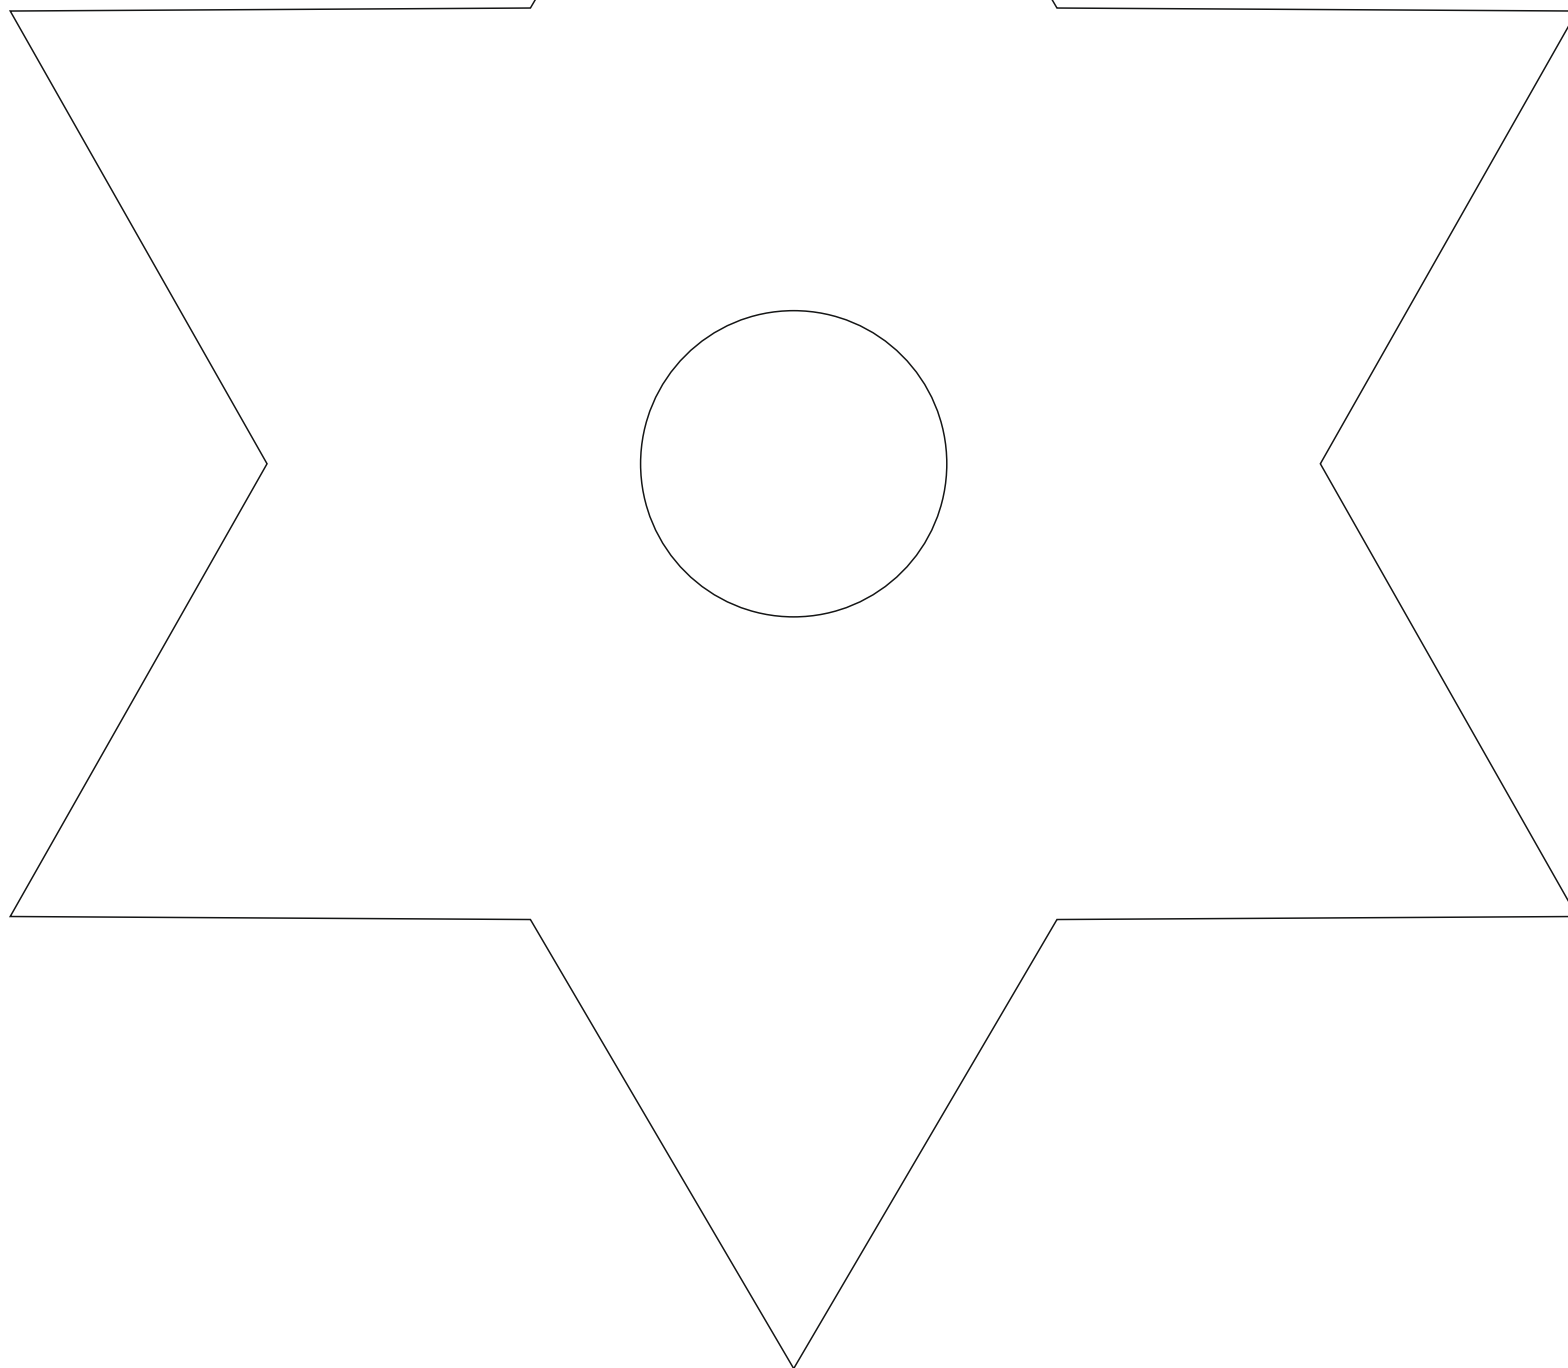

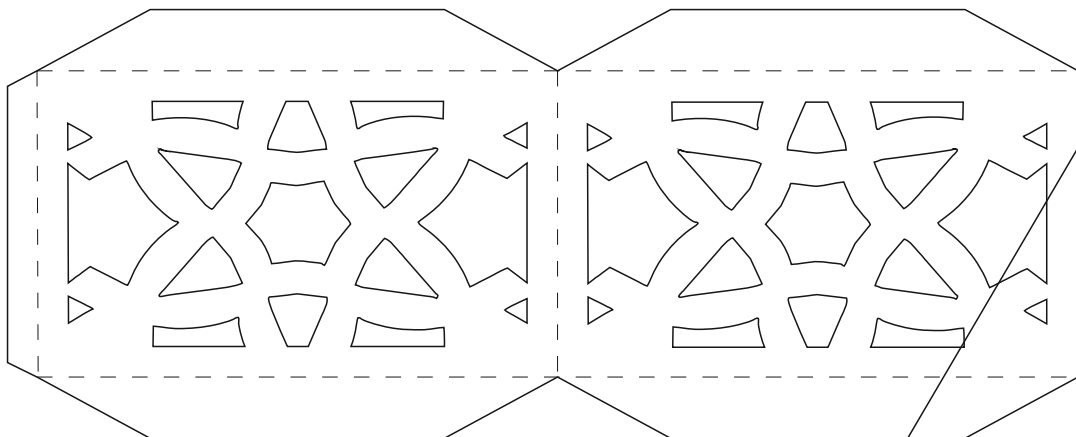

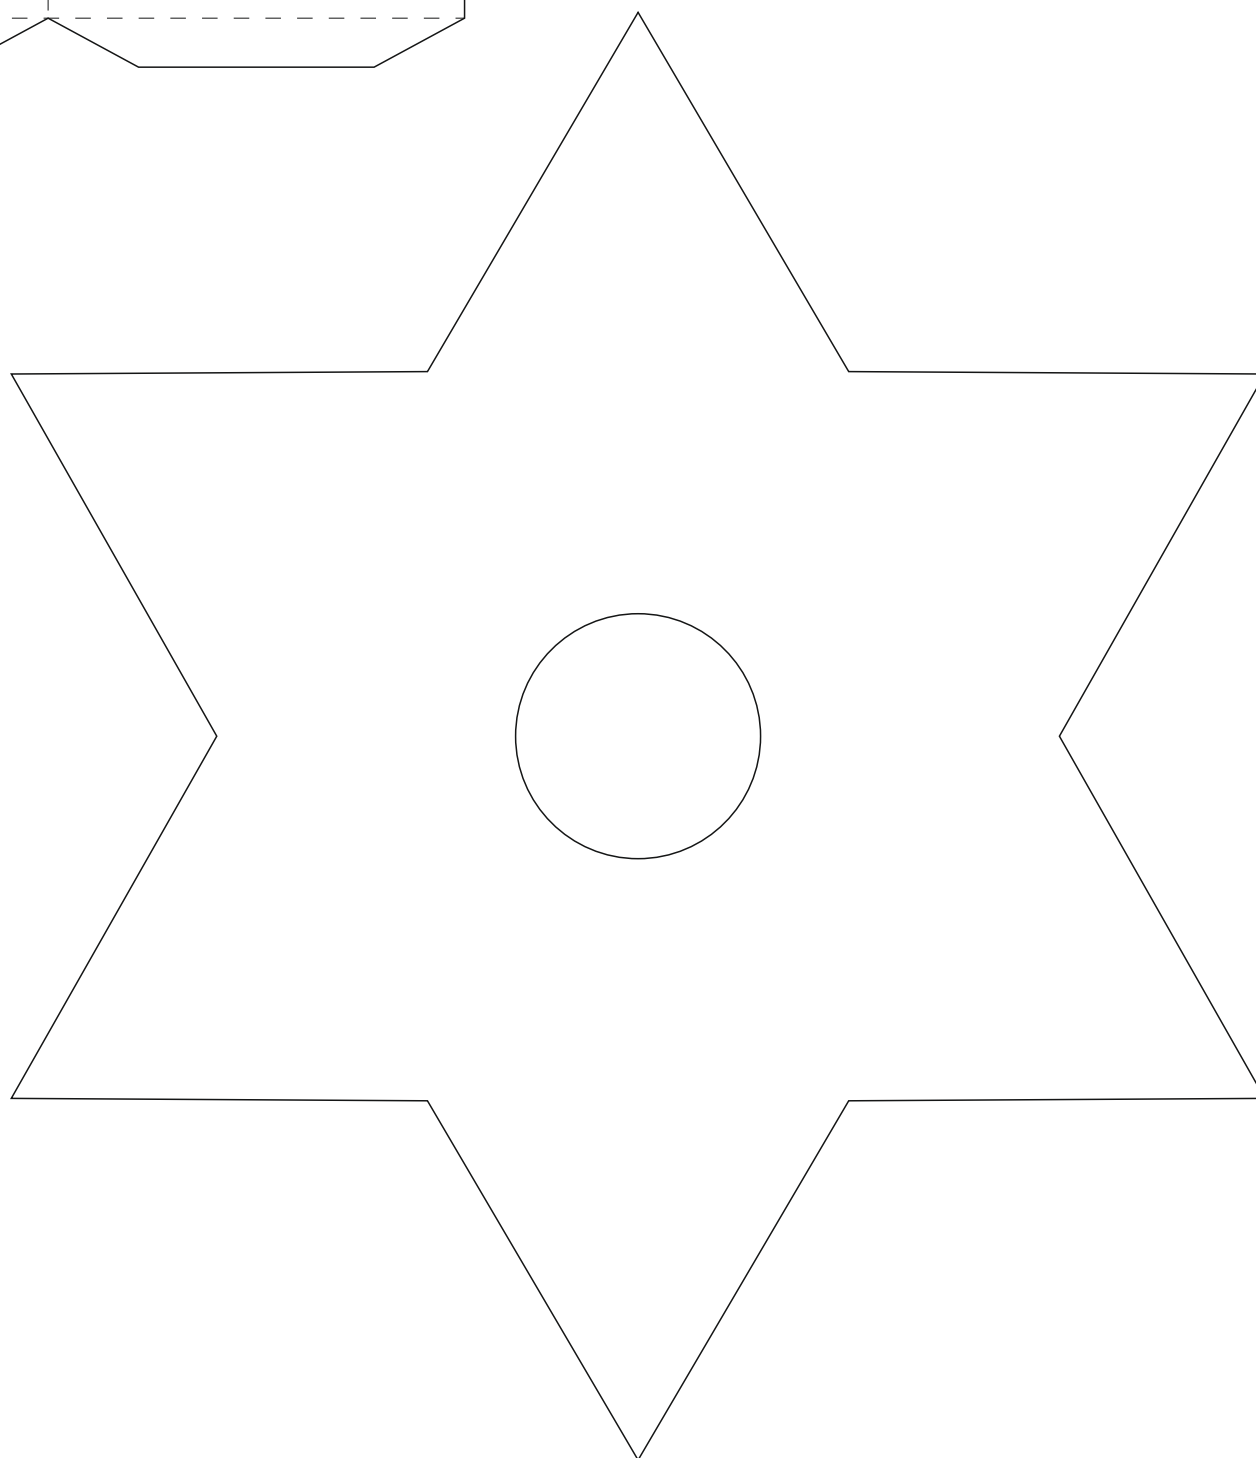

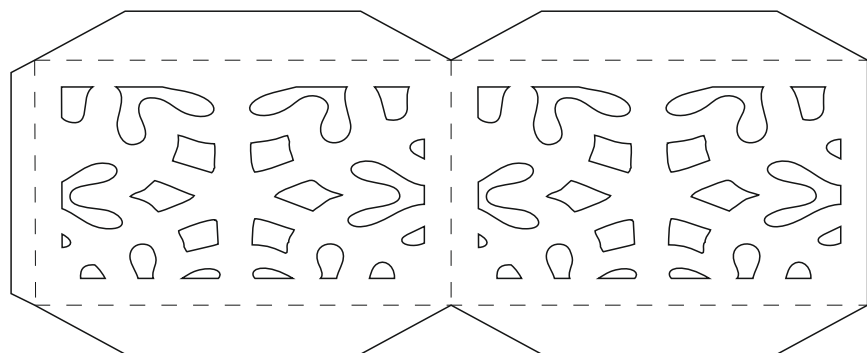

Coller sous la grande étoile
en dessous et bien centrer

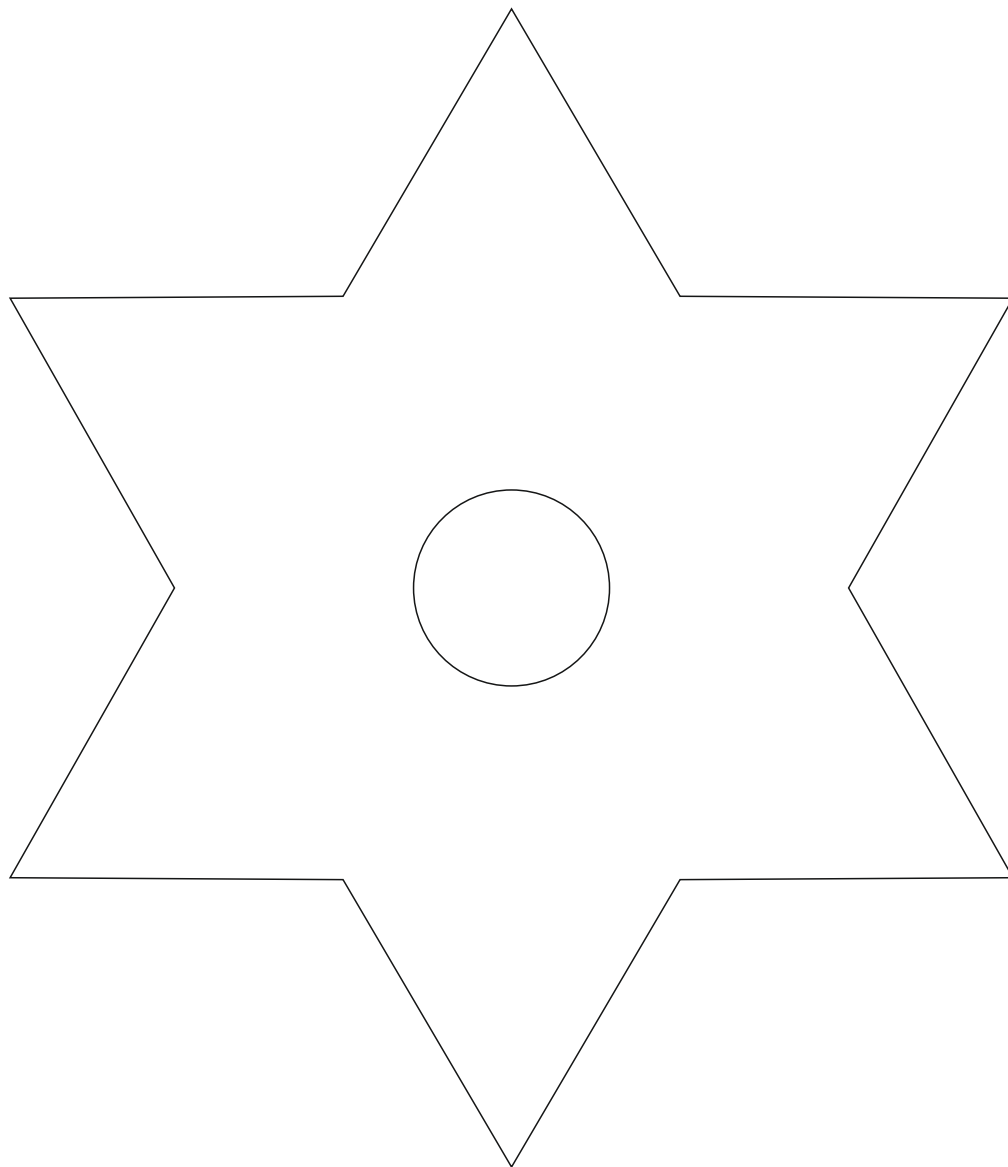

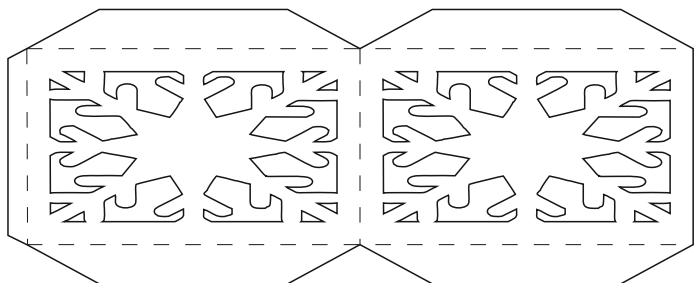

Stick under the big star
below and well centered

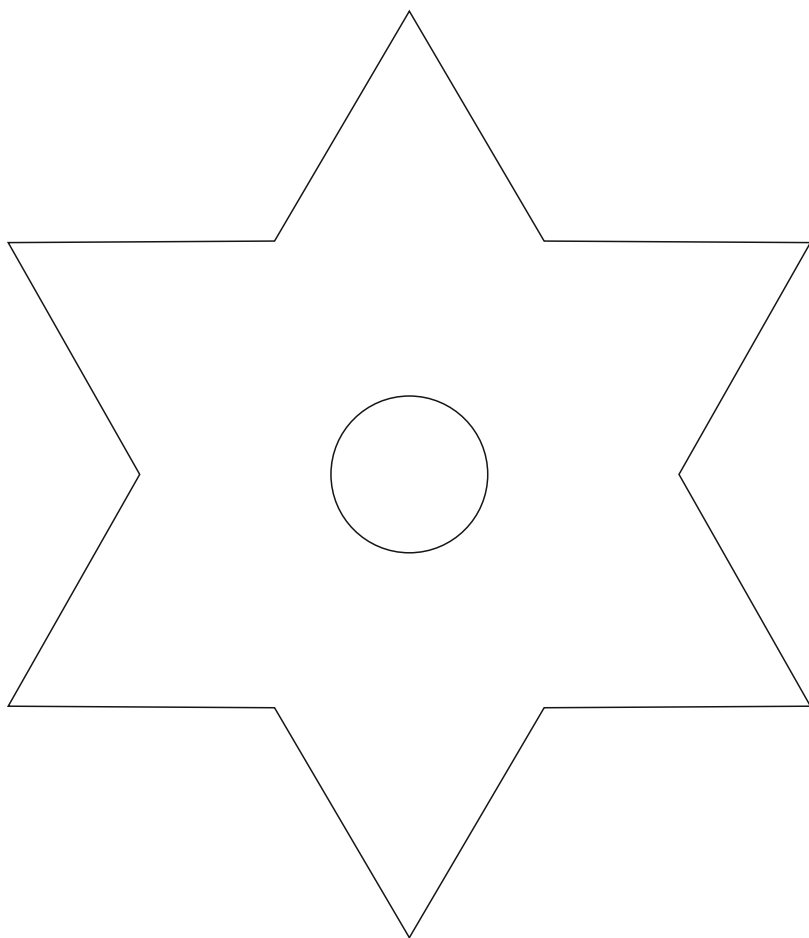

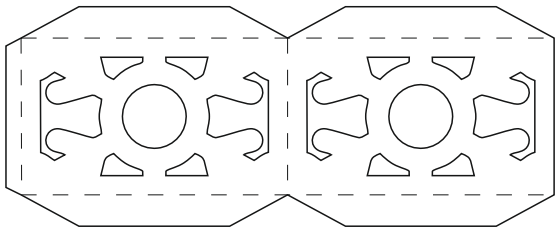

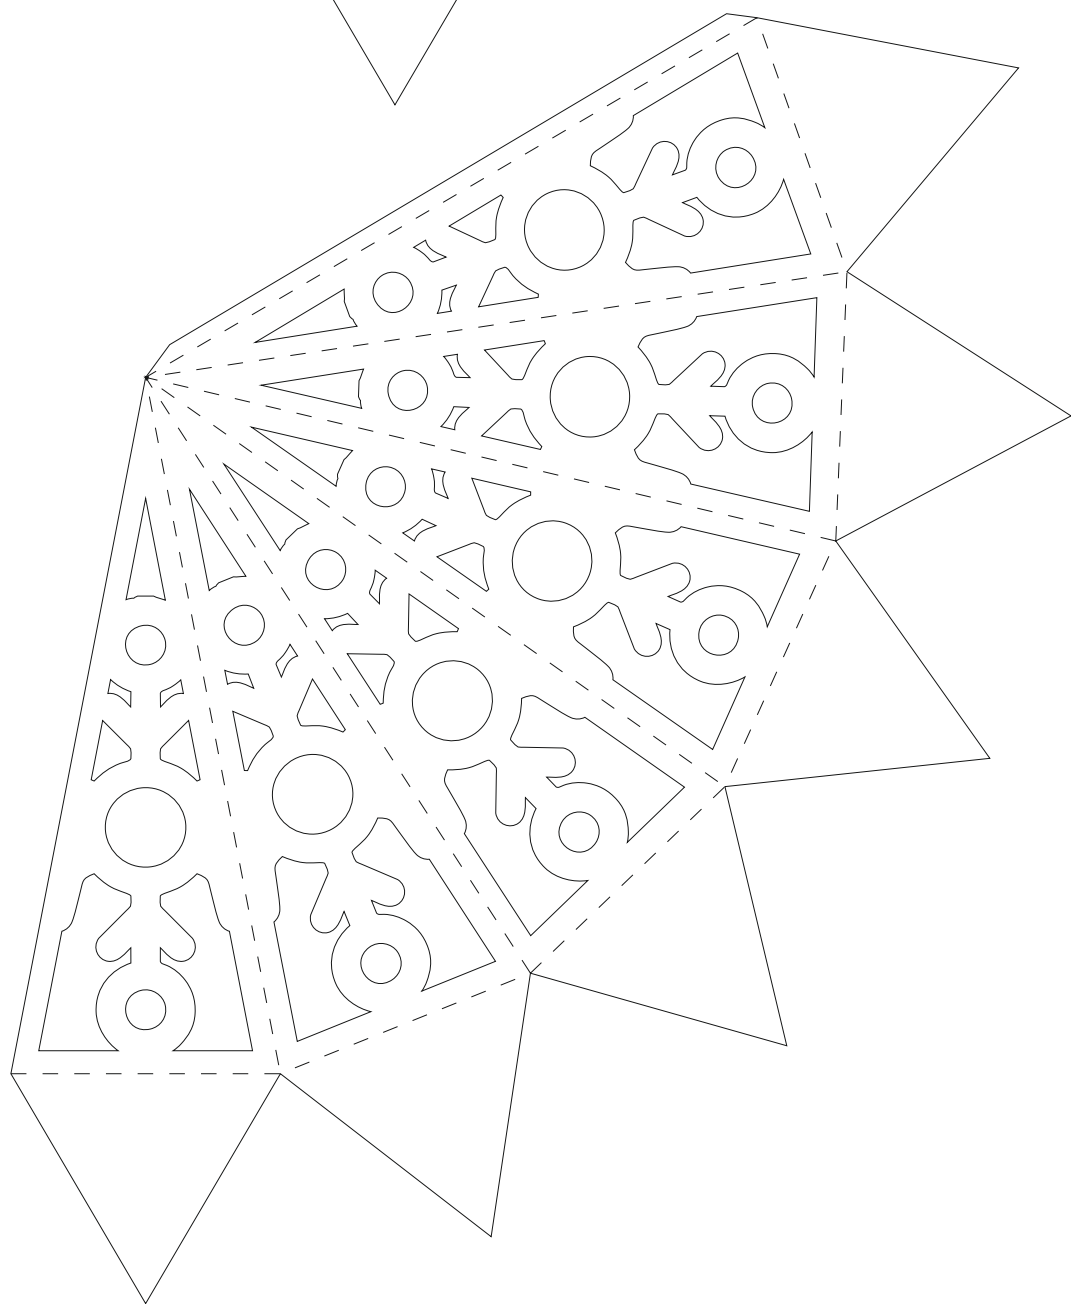

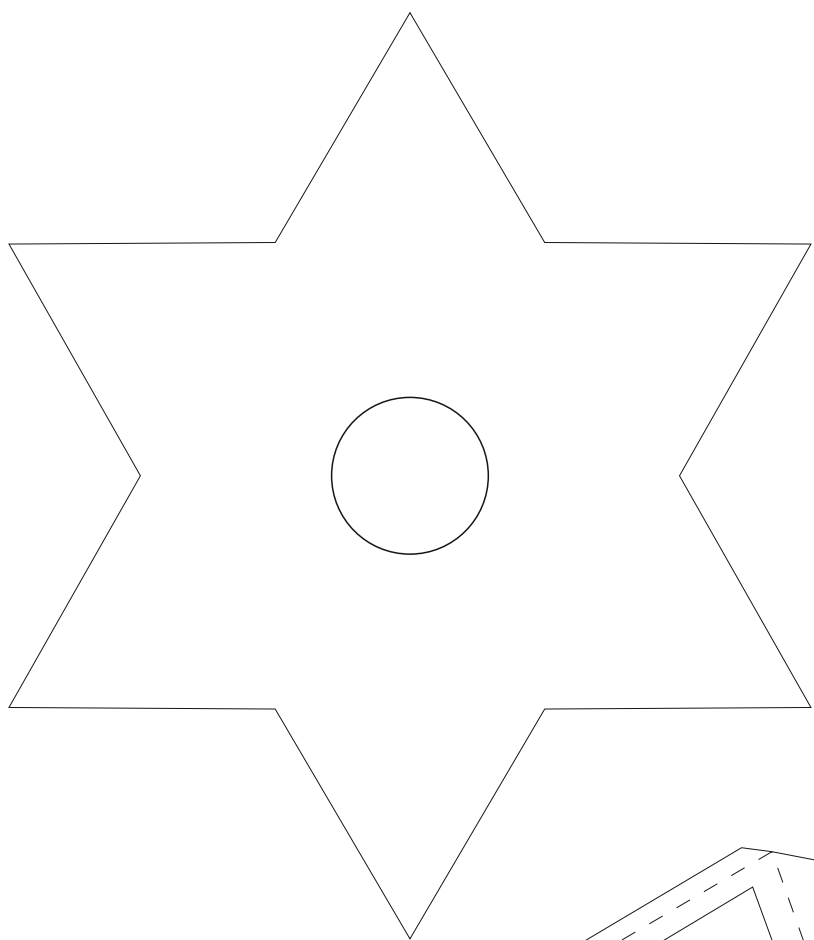

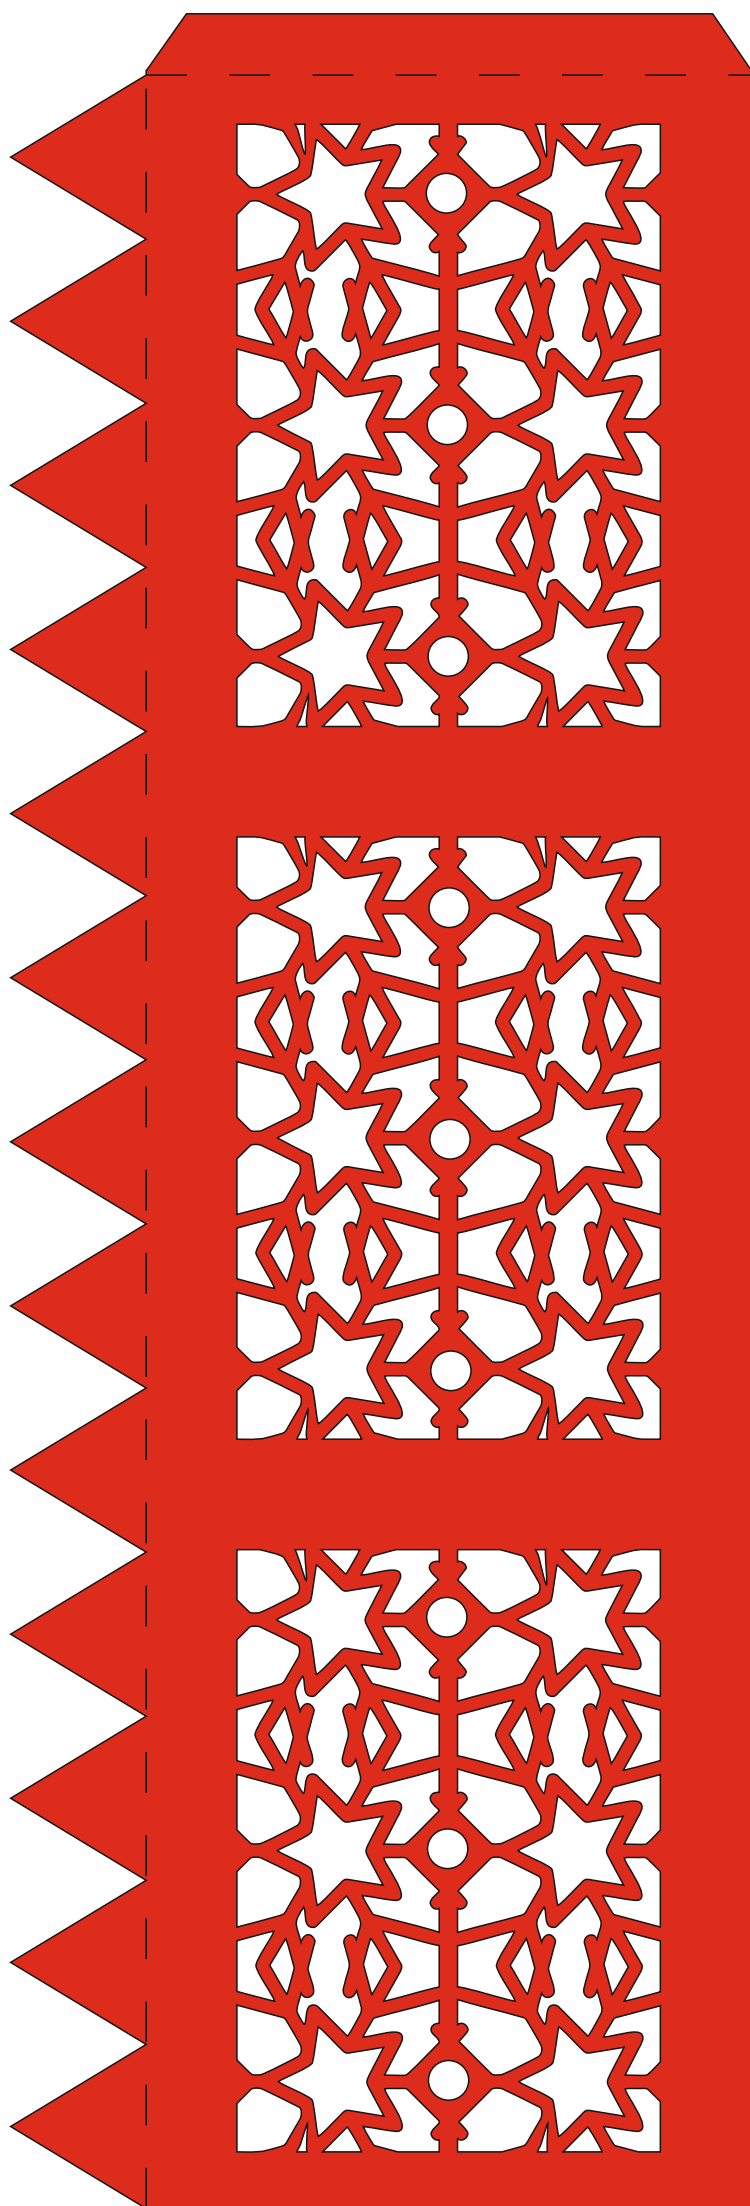

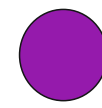

Pied

aide pour la pause
pour le centrage des étoiles
